

Disputaser ved Diakonhjemmet Sykehus

2013:

Ergoterapeut Mari Klokkerud, NKRR, Revmatologisk avdeling:

Rehabilitation for patients with rheumatic diseases. Describing the content and measuring outcomes

Sykepleier Ylva Helland, NKRR, Revmatologisk avdeling:

Sexuality in rheumatic diseases. Disease impact, self-management and clinical practice

Lege Siri Lillegraven, Revmatologisk avdeling:

Joint damage in rheumatoid arthritis

Farmasøyt Gry Vibeke Bakken, Senter for Psykofarmakologi (SFP):

Pharmacokinetic variability of quetiapine and the active metabolite N-desalkylquetiapine

Fysioterapeut Rikke Helene Moe, NKRR, Revmatologisk avdeling:

Clinical aspects of hand osteoarthritis, non-pharmacological management, clinical assessment and disease impact

2012:

Lege Ida Kristin Haugen, Revmatologisk avdeling:

The reliability and validity of Magnetic Resonance Imaging in patients with hand osteoarthritis

Farmasøyt Tore Haslemo, Senter for Psykofarmakologi (SFP):

Pharmacokinetic Variability of Olanzapine - A study based on Therapeutic Drug Monitoring

Lege Maria Dahl Mjaavatten, Revmatologisk avdeling:

Disease characteristics, predictors and outcomes in patients with very early arthritis

Sykepleier Heidi Zangi, NKRR, Revmatologisk avdeling:

Vitality Training - a group-based intervention for persons with rheumatic diseases. Experiences, methodological aspects and clinical effects

Lege Elisabeth Lie, Revmatologisk avdeling:

Effectiveness of synthetic and biological disease modifying antirheumatic drugs in patients with inflammatory joint diseases

2011:

Lege Cecilie Bhandari Hartberg, Distriktspsykiatrisk senter (DPS) Vinderen:

Brain structure and the relationship with neurocognitive functioning in schizophrenia and bipolar disorder

- MRI studies

Lege Sella Arrestad Provan, Revmatologisk avdeling:

Predictors of cardiovascular disease in rheumatoid arthritis

Fysioterapeut Anne Christie, NRRE, Revmatologisk avdeling:

Measuring outcomes of shoulder surgery in patients with rheumatic diseases

Lege Barbara Slatkowsky-Christensen, Revmatologisk avdeling:

Symptoms, Functional Aspects and Health Related Quality of Life in Patients with Hand Osteoarthritis

Lege Unn Kristin Hansen Haukvik, Psykiatrisk avdeling:

Effects of obstetric complications on brain morphology in schizophrenia

2010:

Psykolog Erik Stänicke, BUP Vest:

Analytic change after analysis

- A conceptual case-based follow-up study

Lege Pernille Bøyesen, Revmatologisk avdeling:

Clinical, serological and imaging assessments of inflammation as predictors of joint damage in patients with rheumatoid arthritis of short duration

Lege Hanne Osnes Ringen, Kirurgisk avdeling:

Elective orthopaedic surgery in patients with inflammatory arthropathies

Lege Silje Watterdal Syversen, Revmatologisk avdeling:

Soluble biomarkers as predictors of progressive joint destruction in Rheumatoid Arthritis

Farmasøyt Ida Rudberg, Senter for Psykofarmakologi:

Impact of CYP2C19 genetics on pharmacokinetic variability of escitalopram and sertraline

- a study based on therapeutic drug monitoring data

2009:

Lege Marte Schrumpf Heiberg, Revmatologisk avdeling:

Clinical effectiveness of anti-TNF agents in inflammatory arthropathies

- Results from the NOR-DMARD register

2008:

Lege Ragnar Nesvaag, Distriktspsykiatrisk senter (DPS) Vinderen:

Characterization of brain morphology in patients with schizophrenia

Lege Espen Haavardsholm, Revmatologisk avdeling:

Magnetic Resonance Imaging in Rheumatoid Arthritis.

Studies of MRI-based methods for the assessment of disease course, prognosis and treatment response

Lege Sigrid Ødegård, Revmatologisk avdeling:

Disease course of rheumatoid arthritis in a 10-year perspective

Sykepleier Turid Heiberg, Revmatologisk avdeling:

Outcome assessment in rheumatoid arthritis: The patient perspective

2007:

Klinisk farmasøyt Kirsten Viktil, Sykehusapoteket:

Drug-related problems in hospitalized patients: A major challenge in current medicine

2006:

Ergoterapeut Ingvild Kjeken, NRRK, Reumatologisk avdeling:

Involvement and participation in rheumatology care

2005:

Fysioterapeut Hanne Dagfinrud, NRRK, Reumatologisk avdeling:

Ankylosing spondylitis: Disease aspects and research evidence of physiotherapy interventions

2004:

Lege Ragnhild Ørstavik, Reumatologisk avdeling:

Fractures in Rheumatoid arthritis. Occurrence and relationship to disease, corticosteroid use and bone measurements

Sosionom Live Fyrand, Reumatologisk avdeling:

Rheumatoid Arthritis, Social Networks and Social Support: A cross-sectional survey of female patients with rheumatoid arthritis and a controlled trial of a social network intervention

2003:

Lege Glenn Haugeberg, Reumatologisk avdeling:

Osteoporosis in rheumatoid arthritis: Frequency, potential risk factors, bone loss during follow-up and clinical decisions rules to identify patients at high risk

2002:

Lege Mette Brekke, Reumatologisk avdeling:

Influence of social inequality and self-efficacy on rheumatoid arthritis and non-inflammatory musculoskeletal pain

2001:

Lege Inger-Margrethe Gilboe, Reumatologisk avdeling:

Disease Manifestations and Disease Course in Systemic Lupus Erythematosus (SLE): Comparison to Rheumatoid Arthritis and Healthy Controls

2000:

Lege Till Uhlig, Reumatologisk avdeling:

Rheumatoid arthritis: Incidence, risk factors dryness complications and disease course

1997:

Lege Liv Marit Smedstad, Reumatologisk avdeling: EURIDISS

The relationship between disability, pain, mental distress and other clinical variables in early rheumatoid arthritis: A 2-year prospective study of 216 patients with RA

1991:

Lege Hilde Berner Hammer, Reumatologisk avdeling:

The L1 protein (calprotectin); Biochemical aspects of its subunits and studies of its importance as a marker of inflammation in rheumatic diseases
